Amendment, filed on 13 June 2005 has been considered and entered.

Claims 25-26 are added.

Amendments of claims overcome the rejection of claims.

Allowable Subject Matter

Examiner's Reasons for Allowance

The following is an examiner's statement of reason for allowance:

Regarding claims 1 & 7, the prior art of record neither shows nor suggests an apparatus for emitting electrons comprising all the limitations set forth in claims 1 & 7, particularly comprising a dielectric layer and a dielectric support layer defining a conical shape having an aperture at a vertex, the aperture being smaller than the base of respective protruding emitter tips together with other cited limitations.

Claims 2-6, 8-14 & 25-26 are allowed being dependent on allowed base claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
